

# Ramblin Nodaks

June 2019

## Comments from the President

{President & Treasurer in Planning mode}

### Hi Fellow Ramblin' NoDaks

We have lost Ramblin' NoDaks founder and first President Merlyn (Moby) Dick. Moby was very dedicated in putting the group together and in keeping it together during the formulative years. Our sympathy goes out to Moby's wife Doris and other family members.

Attendance at the Mandan early season kick-off rally was a pleasant surprise to me since some of our people had not returned from their winter quarters in Arizona, Texas, Florida, and elsewhere. It was a great rally with very interesting (and educational) tours, great music, and close camaraderie. Thanks Bill & Becky and Mark & Donna for a job well done.

### Future Rally Update:

- Jun 13-16** Hawks Museum, Wolford,ND Old & Very Old items for all to enjoy  
No-host rally See details in this newsletter
